Helping people like you with....

Child Development.....

Head Start, Early Head Start, day care and Universal Pre-K classes are MVCAA's way of helping the

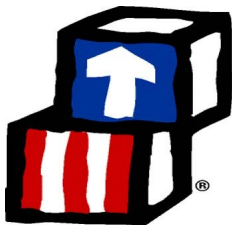

youngest members of our community.

MVCAA offers **Head Start** for children 3 & 4 years of age.

This program offers a quality education program that focuses on the whole child: their health, education, nutrition and family interaction. MVCAA's **Early Head Start Program** helps infants 0-3 years of age and even expecting moms get a "head start" on life. With classrooms throughout Oneida and Herkimer Counties, chances are there is a Head Start classroom near you!

MVCAA also offers day care at its Griffiss Child development Center located at the Griffiss Business Park in Rome.

Family Development.....

MVCAA provides a variety of services to help families in both emergency situations and every day problems:

- **tax preparation**
- **heating and energy assistance,**
- **rental assistance**
- **homelessness intervention**
- **youth and senior activities**
- **after school and recreational programs**

Housing and Energy....

MVCAA is on the leading edge of energy conservation technology. MVCAA's work crews are trained in the latest technologies and safety standards. MVCAA provides

- **weatherization & energy efficiency services**
- **lead & energy assessments**
- **housing assistance**
- **training**
