

# Need Help Paying for Child Care?

You may be able to get help paying for child care from your county's department of social services if the total of everyone's pay in your home does not go over these figures:

Family Size	Household Income
2	\$29,140
3	\$36,620
4	\$44,100
5	\$51,580
6	\$59,060
7	\$66,540
8	\$74,020

Your paycheck is only one of the things that they look at to see if you are eligible to receive a child care subsidy. You must call your county's department of social services to complete an application process.
